Discover Liguria around you

VALF Suite is a convenient starting point for discovering the Gulf of Poets, the Ligurian Riviera and some of the loveliest places nearby. If you feel like exploring, here are a few ideas.

Cinque Terre: Riomaggiore, Manarola, Corniglia, Vernazza and Monterosso are famous for their colourful villages, beautiful views and coastal paths. The train from Sarzana or La Spezia is often the easiest way to visit them; in the warmer months, boat connections are also available.

Portovenere: A picturesque seaside village, perfect for a stroll, an aperitif or a trip towards Palmaria Island. Do not miss the Church of San Pietro and the stretch of coast around Byron's Grotto.

Sarzana: Just a few minutes from the suite, Sarzana offers a charming historic centre, the Firmafede Fortress, shops, cafés, restaurants and many events throughout the year.

Arcola and surroundings: The village and surrounding area are ideal for anyone looking for peace, beautiful views and walks in nature - a lovely way to discover a more authentic side of the region.
